2. Gathering of personal data when visiting our website / Web analysis / Plug-ins
   We do not collect or store any personal data when you are using our web site. In addition, we do not use Plug-ins that could transfer your personal data to third parties.

3. Use of Cookies
   When visiting our website, cookies may be stored on the user's computer. Cookies are text files stored by the internet browser on the user's computer system.

   Please disable cookies for this website in your local internet browser if you do not want to keep track of your visit. Legal basis: Article 6 (1) lit. f GDPR

   Right to complain/deletion: You have full control over the use of cookies. You can deactivate or restrict the transmission of cookies by changing your internet browser settings.

4. Disclaimer
   4.1 Scope of this web site
   This web site is intended for informative purposes only regarding public access to its own activities.

   4.2 Accuracy of material
   We make best efforts to keep material on this web site up to date and accurate. This web site does not necessarily represent state-of-the-art and it is updated from time to time. If general errors, such as editorial errors are detected we makes best efforts to correct them as appropriate. Documents published are as indicated, and sometimes they might not be in the final or formally accepted version.

   4.3 Technical errors
   In spite of our best efforts, sometimes technical errors might occur. We do not warrant the error-free operation of material as appropriate that it publishes on this web site. We accept no responsibility or liability whatsoever with regard to material accessed, operated on or downloaded through this web site.
4.4 Third party sources
Third party sources are quoted as appropriate. We are not responsible for the content of the external sources including external web sites accessed through its own. Users are urged to receive notice of the terms and conditions as well as data protection policies of such third party web sites.

4.5 No specific advice
Nothing in this web site is to be considered to constitute advice on specific cases, including professional or legal advice, unless it is stated otherwise.

4.6 Use of material
We are not responsible for the use that might be made of the information contained in this web site. We assume no responsibility with regard to the use of material available on this web site. Users act at their own risk when using material on this web site and they are hereby urged to take necessary precautions when evaluating the usefulness and applicability of this material for their intended purposes.

4.7 National and EU Law
This disclaimer is not intended to limit the liability of us in contravention of any requirements laid down in applicable national law or to exclude its liability for matters which may not be excluded under that law.
